

Mechanic

Job Description

Position Overview:

Tag Towing & Collision, located in Pittsburgh, is seeking a skilled and dependable Mechanic to join our dedicated team. We're looking for a professional with expertise in automotive diagnostics and repair, committed to delivering high-quality work and ensuring vehicle safety. If you take pride in your technical skills and value teamwork, precision, and reliability, we'd love to have you on our team.

Key Responsibilities:

- Diagnose and repair mechanical issues on a variety of vehicles, including engines, transmissions, and brakes.
- Perform routine maintenance such as oil changes, tire rotations, and fluid checks.
- Maintain a clean, professional appearance for both yourself and your workspace.
- Communicate effectively with team members and customers about repair needs and timelines.
- Document all repair processes and parts used for each job accurately.
- Use diagnostic tools and equipment to identify and fix vehicle problems.
- Work a flexible schedule, including potential evenings or weekends, based on business needs.
- Assist with other shop duties as needed, such as organizing tools or supporting inspections.

Qualifications:

- High school diploma or equivalent.
- Technical training in automotive repair or ASE certification—preferred.
- At least 1 year of experience as a mechanic or in automotive repair.
- Familiarity with diagnostic tools, lifts, and other automotive repair equipment.
- Strong problem-solving skills and a commitment to quality workmanship.
- Physically capable of performing tasks involving lifting, bending, and standing for extended periods.
- Professional appearance and behavior at all times.

Compensation & Schedule:

- Pay: Competitive hourly rate with opportunities for performance-based bonuses.
- Schedule: Daily home time with flexibility required for evenings or weekends as needed.
